ONE **POWERFUL PUNCH** SAPS DENNING'S NERVE

outboxing McGoorty When Ear Gets Wallop in Fifth, and He Quits.

TAKES PLEA OF A FOUL

Morgan and De Ponthieu, Briton and Frenchman, Dispose of Adversaries.

Denning, the local middleweight d apparently of his own accord den last night. Denning had weathered porty's heavy hitting in the first two is and had outpointed his man eleverly third and fourth rounds, so that the was going along nicely in the titth under the left ear. He was staggered pe an inevitable knockout he claimed he had been fouled. But nobody saw I blow delivered. As soon as the bout ded Dennius jumped out of the ring and rised away. It was a plain case of quit-

Some weight. When the first round started benning was on the defensive, dancing acound the ring, blocking and cluebing Medioorty followed him closely and tried to land a terrific righthand swing. He missed several times and then tried a left, block permissed several times and then tried a left, block permissed several times and then tried a left, swing that put him on the ropes. Denning the wind the first point has played a fast fielding game back with a short how on the mouth. Medioorty ran into a mix and rocked Denning than the representative of the game and the tried and right, but the first interleaves contest of the series had been believed in the first interleave contest of the series had been believed in the first interleave contest of the series had been believed in the first interleave contest of the series had been believed in the first interleaves contest of the series had been believed in the first interleaves contest of the series had been believed in the first interleaves contest of the series had been believed in the first interleaves contest of the series had been believed in the first interleaves contest of the series had been believed in the first interleaves contest of the series had been believed in the first interleaves contest of the series had been believed in the first interleaves contest of the series had been believed in the first interleaves contest of the series had been believed in the first interleaves contest of the series had been believed in the first interleaves contest of the series had been been dead to promise the first to desire the first to denote and the tried of the series had been been dead to promise the first to denote and the tried of the series had been been dead to the first to the first to the series began in 1900 the level of the city tills been been dead to the first to the first to the first to denote and the first to the first to the series that been the first to denote and the first to the first to the first to denote and the first time since the first to den

with a hit bat and clinched the hand swing. Denning promptly linched. Getting out of it, McGoorty breed the fight with a double swing on the lead. Denning countering on the mouth that a stiff left. Denning also hooked and Paskert at a stiff left. Denning also hooked to the nose, McGoorty slugging to a clinch. Denning then used more left abs and McGoorty seemed puzzled. It is been made to be a solid left as Denning stepped inside of a solid left and swing in the fourth round, but McGoorty keptafter him, missing twice for the for taking on which we will be a solid left and swing in the left into the face where it is succession and McGoorty swing wildly again. Denning labbed with the leagung that is a second to reach a vital spot. Denning had the ound on points.

reach a vital spot. Denning had the and on points.

Denning stepped in and mixed it to a linch in the fifth round. McGoorty missed left and received a straight punch in the fouth. McGoorty failed to stop another unch like this but he suddenly hooked right with terrific power under the left ar. Denning staggered and then put is gloves over his groin as if he had been outed. He had not been hit low, however, but simply quit, as he refused to continue. Eddie Morgan, England's bantam chambion, showed real class when he defeated

Several designs for yachts now are being mepared by naval architects and it is probable that some of these boats may be built at once to be ready for next season's sport. One trouble with vachtsmen has always been that at the end of a season they are willing to forget things for a time, and then when they begin to think of the next season's sport the winter has far advanced and the failed of a season they are halfed early what they want to do have decided early what they want to do have decided early what they want to do have decided early what they want to do have a failed be to the failing are lost, but that when the new boat did saling are lost, but that when the new boat does come out it is not in proper shape to compete with the boat that has at that a ne sailed in several races and is in good the lost of the season of Chambion Lynnfield Salex.

Miss Catherine Cameron of Grassmere and ready to race, and part of the season is

their plans will be ready early, and having a good start it will be hard for late arrivals the scene to overcome the advantages ey have obtained. The outlook just now in next season is exceedingly bright here never was a year when more new lats were being planned, and if only a set of those are built there will be lots of except in all the more prominent racing assainest year, which will greatly boom export.

e Bayside Birds which were built last ag by Nevins at City Island have proved popular and have attracted much tion on the Sound and lower bay, to boats were built from designs by am Gardner and practically rate the as the regular 8 class boats, and see with those boats, which are much costly, the Birds have shown well. Mactiregor of the Bay Sale Yacht Clubbing to induce members of other clubs and in this class. These boats it ordered with cost \$775 each. If others should in the class there would be oppores for interclub racing, as there has with the Larchmont class. At present dids nacusure out of the class because a length of their booms and gaffs, are because of any excess of sail. In we boats it would be well to shorten spars so that they would be eligible mache in the regular 8 class and for so for which they are not now eligible.

STAFF OFFICERS DEFEATED.

Froop A Team Beats Its Superiors Enally in Polo Game. Troop a of the First sundron had little difficulty vesterday in defeating the four representing the headquarters staff in an intrasquadron polo match at Van Cortlandt Park. The officers did not show anything like the speed or the team work of their opponents and so from the very outset of the game they had to play on the defensive.

SCORE AMONG HIGH ONES I GARDON HIGH ONES I Honors in Garden City the defensive.

the defensive.

D. Runkel was particularly strong on the offence, and he seemed to be able to lose his man at will with the result that his mallet was responsible for three tal-lies. His team mate, A. C. Smidt, was very little behind him when it came to advancing the ball and he managed to score twice on hard shots.

score twice on hard shots.

R. Whitney was the only member of the staff team that played with any degree of consistency. Although his mates were outclassed at every department of the game. Whitney would not let up and The lineup:

Hogr's Staff r. Dillingnam R. W. Perry R. W. Perrys. No. 1 ... V. C. Smidt R. W. Perrys. No. 2 ... D. Rankel R. W. Mitney. No. 3 ... T. H. Parrelly S. S. Childs ... Smidt S. R. C. Elly Final score. Although only the tiniest mite of a dog. Although only the tiniest mite of a dog, Bobizette now carries the greatest doggy title attainable with as much ease as the mightiest giant of the canine race, for beit known that she is now a full fledged champion. Bobizette is a Griffon Bruxellois, owned by Miss Elsie G. Hydon of Bogota. N. J., and with her win at the recent Rumson show she gained the last two of the sixteen points required for this decoration.

KID GLOVE CLUB PROPOSED.

If the plans of the newly organicz-Forty-fourth Street Sporting Club mature ing where patrons who are willing to pay to see the bouts in comfort will be able to do so without being surrounded by a mob of hangers on. The new club intends to cater to the elite of the city's boxing fans and to follow as closely as possible the example of the National Sporting Club of London. The motto of the club will be "High class attractions, for high class patrons, at high class prices."

Boxers, managers, handlers and heelers will not be allowed to mix with the spectators in the reserved sections, but the boxes will be actually reserved for those who pay for them. Only one handler will be allowed for the preliminary bouts and

Though evening dress will not be in-

sity Club.
There will be an open office on the

owner enough to consent to lead his cohorts 0 4 on the field, but he has not decided who Miss Fenn

on the field, but he has not decided who will be on the slab. West Side supporters are of the opinion that it will be either Lay ender, Richie or Cheney, with the choice equally divided.

The White Sox triumph this time will tie up the count for the string of series the two teams have played. The first one in 1903, was a tte. Since then there have been five meetings, the Cubs coming out on top in three and the Sox winning two linterest in the local event runs higher here than in the world's series and the same scenes of crowds at the ticket windows were enacted on only a slightly smaller.
